Charlie Haden Live at Webster University, St Louis
Recorded April 4th 1988

I spent most of my early days (2 yrs. old to 10 yrs.) singing country music on the radio in around Springfield Missouri. Everytime I play in Missouri, I feel like I've come home. This was a great concert. Many of my friends and some of my family came to St. Louis from Springfield to hear the concert. My long time friend, Paul Motian, is playing drums, Ernie Watts and Alan Broadbent, (current members of my Quartet West) are playing sax and piano. My friend Ken Christianson recorded the concert. Thanks to him and Julian Vereker for making this CD possible.

Charlie Haden 50th Birthday Concert, August 6th 1987
Recorded at "At My Place" Santa Monica, California, USA

This was a very special concert as it was my 50th birthday! The big five O as they said. My wonderful wife Ruth organised and planned everything, from the silver and black ribbons, the fantastic birthday cake (which was a complete surprise, I might add) to the special guest list. Billy Higgins (we've played together since we were teenagers) is playing drums, with Ernie Watts on saxophone and Alan Broadbent on piano. This was an evening I'll never forget. I hope you enjoy it as much as I did. Thanks to Ken Christianson and Julian Vereker for making this CD possible.
